Beneficiaries

In the pursuit of justice, Colorado Legal Services (CLS)/Pueblo County Pro Bono Project provides meaningful access to high quality civil legal services for as many low income persons and members of vulnerable populations throughout Pueblo County as possible. CLS is the only agency in the state that provides free legal services, including advice, brief services and extended representation, in civil cases to indigent clients in every Colorado county.

The CASA (Court Appointed Special Advocates) concept is based on the commitment that every child has the right to a safe, permanent family and has the opportunity to thrive. Our mission is to advocate for abused and neglected children by providing a voice in the courts and in the community through trained volunteer advocates.
